PROFILE

As a passionate and motivated learner in MERN-Stack Development, my career goal is to leverage my strong foundation in web development, along with my dedication to continuous learning, to contribute effectively to a dynamic team in creating innovative and robust web applications. I am eager to apply my problem-solving skills, creativity, and commitment to staying updated with the latest industry trends to drive excellence in software development projects.

ABOUT ME

- Hello, I'm Rajithlingam, a recent graduate and a fresher in the field of technology.

- My most recent experience includes working as a Program Advisor at Selfmade Ninja Academy from April 22, 2023, to September 22, 2023.

- I hold a Bachelor of Computer Application degree, and I'm enthusiastic about leveraging my education and skills, including my ongoing learning of MERN STACK DEVELOPMENT, to contribute effectively in any work role that aligns with my qualifications.

WORK EXPERIENCE

Program Advisor

SelfMade Ninja Academy   April 22, 2023, to September 22, 2023

- Advised and guided students on program selection, course planning, and career development.

- Organized and conducted informational sessions and workshops for students.

- Assisted in curriculum development and improvement based on student feedback.

- Collaborated with academic staff to ensure the smooth functioning of programs.

- Maintained accurate records of student progress and provided feedback for improvement.

- Achieved a high level of student satisfaction and retention through effective communication and support.
